Senate Committee on Seniors, Families and Children 3/15/2017

This morning the Senate Committee on Seniors, Families and Children convened to hold executive session on *WATCH*SB 423 and to hear public testimony on *WATCH*SB 375.

ATTENDANCE: Reps. Sater, Riddle, Chappelle-Nadal, Romine, Schupp and Wieland were present.

EXECUTIVE SESSION:

*WATCH*SB 423 (Sater) – Removes the termination date for the MO Rx Prescription Drug Program.

- Sen. Sater provided a brief summary of the bill. There was no further discussion.
- Voted Do Pass, 6-0 (Schaaf absent).

PUBLIC HEARING:

*WATCH*SB 375 (Hoskins) - Changes the law regarding consent for a minor to obtain an abortion.

Sen. Riddle presented the bill on behalf of Sen. Hoskins. Sen. Riddle stated the bill relates to parental consent for a minor to obtain an abortion and noted the bill contains exemptions for specified instances such as a parent that has been found guilty of specified crimes.

Proponents:

- Susan Klein Missouri Right to Life
 - Klein stated that there is a lot of support to ensure both parents are informed of a minor seeking an abortion and that both parents have a right to participate in such decisions.

Opponents:

- Ellen Shapiro Reproductive Health Services Counselor
 - Shapiro stated that the bill could force minors to interact with parents that they may not have healthy
 relationships with and would further complicate an already complicated decision. Shapiro stated that
 the bill does not include enough contingencies to cover every possible circumstance. Shapiro also
 stated the bill might force minors to take matters into their own hands, which would be a very
 dangerous situation.

Sen. Sater stated the committee was only allotted an hour of time for the hearing today and that the committee will have to resume the hearing on SB 375 two weeks from now.

With no further business, the committee adjourned.

Hi Jake,

Time has passed so quickly since our MidWest March for Life. We were pleased that Governor Grietens mentioned us on his FB account! It was so nice to meet you during that very busy time!

Our 40 Days for Life would like to extend an invitation to the Governor and his family to attend our Closing Rally/Dinner of the 40 Days for Life It would be such a blessing to have Governor Greitens and his family to attend and if he would be so kind as to express his thoughts to the grassroots gathering of 125 to 150 people. It was so awesome and refreshing to hear Governor Greitens at the Missouri Right to Life Rally yesterday.

The details are:

40 Days For Life Closing Rally/Dinner

Saturday, April 29

St Andrew Church, 400 St Andrew Dr, Holts Summit

Time: Doors open at 6pm, Dinner at 7pm, Program 7:30pm and ends approximately 8:45pm We will thank God for His blessings upon the 40 Days during the period March 1 through April 9.

And Jake, you are most certainly invited to attend. I have asked Reagan Nielsen Barklage to be our guest speaker and she is checking her schedule.

I also wanted to share with you that there was another medical emergency at the St Louis Planned Parenthood on Saturday, March 11. This was to be expected as an ambulance shows up every 41 or 42 days at this facility in St Louis since 2009 as documented by 911 calls. We have a document that shows each of these incidents and many photos of the women being brought out on stretchers. If you would like, I can share this document with you. It is appalling. Our website: www.womenmustbesafe.com

Women Must Be Safe

www.womenmustbesafe.com

Women and men on both sides of the issue are urged to join us in blowing the whistle and to unite around our shared and deep concern for the safety of women by ...

Good morning Kathy and Will,

I am writing to introduce the two of you as you are both concerned about pro-life issues in Missouri.

Will Scharf is the Governor's Policy Director and has a very solid base of experience and insight into the life issue.

Kathy Forck is with 40 Days for Life, is active with legislative affairs in the state house and is particularly interested in making a contact in the new state administration with whom she can discuss issues surrounding life and the regulatory issues of clinics, etc. She has a lot of experience and insight.

It surely seems that there are new people and growing pro-life influences in the state of Missouri that are exciting (and somewhat daunting, too). It is my hope that new relationships can be built and each learn from the other as the opportunities unfold in your great state.

Thank you, and thank you both for what you do! I do hope you can meet each other and find mutual interests.

Sincerely, Sue Swayze Liebel

Friends,

HB 174 got first-round approval on Tuesday (March 28) by a healthy, bi-partisan 116-34 vote. It will possibly get final approval in the Missouri House by the end of the week, and then on to the Missouri Senate.

The bill would provide protections to pro-life maternity homes and pregnancy resource centers – as well as to the religious and moral beliefs of individuals – who do not want to participate in abortion.

It would undo most of the bad effects of the City of St. Louis Board Bill 203.

Sam

Bill to preempt St. Louis anti-discrimination ordinance advances in Missouri House

By Celeste Bott St. Louis Post-Dispatch

JEFFERSON CITY • The Missouri House gave initial approval Tuesday to a measure that would block recent changes to St. Louis' anti-discrimination ordinance, marking the second time this year the chamber acted to override the city's laws.

In February, St. Louis lawmakers banned employers and landlords from discriminating against women who have had an abortion, use contraceptives, or are pregnant.

The bill preempts cities like St. Louis from enacting ordinances that would infringe on the free speech and religious rights of alternatives to abortion agencies, or facilities that counsel pregnant women against abortion. Those agencies have seen strong support from the GOP-led Missouri Legislature, which has awarded them millions in state tax credits.

But Democrats balked at the proposal, having long argued the centers disseminate medically inaccurate information to discourage women from terminating their pregnancies, and therefore shouldn't be awarded additional funding or protections from the state.

"We should be respecting pregnant women and giving them the care they need, not giving them faulty information under the guise of protecting them," said Rep. Stacey Newman, D-St. Louis, who called the bill dangerous.

City aldermen excluded religious organizations from the requirements of the law, but those anti-abortion advocates maintain that without action from the state, those who choose not to hire employees or rent to tenants based on their beliefs about abortion could be fined. They also fear businesses could be expected to include abortion coverage in their employee benefits.

Opponents say the bill warrants state interference in city politics, by a body that typically favors local control. Sponsoring Rep. Tila Hubrecht, R-Dexter, countered that the Legislature has gotten involved in local politics before, by enacting laws regulating firearms, plastic bags and most recently, nullifying a minimum wage increase in St. Louis.

"We have a history of deciding that when there's one agency or group trying to infringe upon another one, we have a history of protecting our citizens from unwarranted government intrusion by local public officials," she said

After one more vote in the House, the measure will head to Senate, where it is expected to pass. Legislative leaders and Gov. Eric Greitens recently endorsed efforts to block the city ordinance at a Right to Life event at the Capitol, vowing there will be no "abortion sanctuary city" in Missouri under their oversight. *This bill is HB 174*.

House Judiciary

3/28/17

All members present

The committee opened in executive session

HB 77 (McGaugh) - Vexatious Litigants

Amendment 1 (McGaugh) - Narrows the definition of a vexatious litigant to certain pro se litigants only

Amendment 1 adopted by v.v. and rolled into HCS

HCS HB 77 voted DO PASS by a vote of 9-2 (Mitten and Roberts dissenting)

HB 596 (McGaugh) - Embalmers and Funeral Directors

Amendment 1 (McGaugh) - This amendment was discussed and distributed two weeks ago (prior to spring break). It will strip auditing authority from the Board of Embalmers and place it with the Division of Finance.

White expressed concern that one division will be auditing while another will be licensing.

Marshall asked if the bill creates an open-ended, no-cap fee. McGaugh states that statute elsewhere clarifies the fee and how it should be assesses. Marshall asked if McGaugh would be open to a floor amendment, to which McGaugh stated that he would be.

Amendment 1 adopted by v.v. and rolled into HCS

HCS HB 596 voted DO PASS by a vote of 10-1 (White dissenting)

The committee exited executive session

HB 727 (Matthiesen) - School Employee Required Reporting

Sponsor Testimony

- This bill would give schools the freedom to internally counsel students who commit assault in the 3rd or 4th degree.
- Noted that schools are not sure which assaults to report and which to handle internally due to the criminal code revision a few years ago.
- The bill would clearly identify which charges must be reported and would eliminate 3rd and 4th degree assault as a reportable offense.

Inquiries of the Sponsor

Print Page 140 of 142

- Degroot Were there specific circumstances that made this necessary? Matthiesen stated that many schools in St. Louis county were confused about what to report. He added that we should not be sending kids to prison over a hallway fight.
- Mitten To clarify, this bill is borne out of the fact that the legislature failed to update the Safe Schools Act when the criminal code was revised. As a result, confusion exists as to what a reportable offense is.

Testimony In Favor

- Helen Sloan Metropolitan Congregations United
- Dr. Lara Wakefield Special Education Advocate

Informational Purposes

- (unknown)
 - Noted that this bill would still require some misdemeanors to be reported.

PRIORITY HB 38 (Higdon) - Mandatory Minimum Sentences

Sponsor Testimony

- This bill would remove the mandatory minimum sentencing requirements for most crimes, with the exception of certain sex crimes and first degree murder.
- Higdon explained how his motivation for the bill is a man who still has 17 years left on his sentence before he is eligible for parole. That man has one semester left until he will complete his bachelor's degree and, as Higdon explained, looks no different than any member of the committee.

Inquiries of the Sponsor

- DeGroot Noted that judges would support this legislation because it gives them more authority in the courtroom. He expressed concern about some judges abusing the discretion given to them in this bill.
- Ellebracht Why leave the superfluous language in the bill (i.e. "mays" instead of "shalls")? Ellebracht asked how he could explain this bill to a defendant who was thinking about taking a plea, when in reality a judge could give them a wide range of sentences. Higdon stated that he took the superfluous language out last year and did not get a hearing, so he is trying this version.
- Ellebracht Could a parole hearing occur immediately? Higdon noted that his intent was for this to be up to the court.
- White Expressed concern that prior offenses would not be factored into a parole decision.
- Roberts Supports the bill
- Marshall To clarify, are we getting rid of the statutory minimums for some dangerous felonies? Higdon stated that we are.

Testimony in Favor

- · Annette Driver Driver and Associates
- Sheila Winston Former Inmate
- Susan (last name not provided) Former Inmate
- Alex Eaton Families Against Mandatory Minimums
- · Sara Baker ACLU of Missouri
 - Believes that this bill protects 8th amendments rights. Baker added that the recidivism
 rate for inmates over the age of 50 is 3%, and Missouri has 3,000 inmates over this age.
 Additionally, these offenders cost 3x as much to house compared to the average inmate.
 - Ellebracht asked how many of those offenders over age 50 were sex offenders or 1st degree murderers. Baker was unsure.
 - White questioned whether there would be cost savings associated with releasing prisoners over age 50. He noted that they may have trouble finding a job right away and the state would still need to provide assistance to them when they are released.
- Rachel Cramsey Let's Start
- Rita Linhardt Missouri Catholic Conference
- Rachel Gridler EMPOWER Missouri

HB 519 (Ellington) - Statute of Limitations

Sponsor Testimony

• This bill would remove the statute of limitations for victims of sexual abuse.

Print Page 141 of 142

 In most cases, victims do not want to come forward for various reasons. This legislation would give them the chance to come forward later on.

Inquiries of the Sponsor

- Corlew What are other states doing on this issue? Ellington stated that there are several other states who have eliminated the statute of limitations on child sex abuse crimes.
- Corlew What is the current statute of limitations in Missouri? Ellington stated that it is 30 years after the age of 18 for criminal offenses.

Testimony In Favor

- Randy Rhoads KC Attorney
 - Argued this statute in front of the Supreme Court. Due to the publicity (and victory), he
 received six anonymous phone calls from people claiming that they were sexually
 abused from the same man that he successfully defeated in court. Rhoads stated that
 this was a wake up call for him and made him realize just how hard it was for these
 people to come forward.
 - o DeGroot expressed concern about removing the statute of limitations, noting that these defendants have a right to properly defend themselves in court.
 - Marshall raised the same concern. He stated that the committee must weigh whether the heinousness of the crime outweighs the statute itself. Marshall added that a defense in these types of cases would be incredibly difficult as the years go by.
 - White also expressed concern with removing the statute of limitations. He noted that we tend to assume guilt for these types of crimes when it has not yet been proven. He may, however, be more comfortable removing the statute of limitations on the criminal side as opposed to the civil side.
 - Corlew noted that the statute of limitations is 10 years for civil cases and 30 years for criminal cases.
 - Ellebracht raised the point that defendants can always request a motion for summary judgement if they feel a case lacks merit.
 - Mitten asked if there is a statute of limitation on murder or other deaths? Rhoads was unsure.
- Renee Artman Victim of Childhood Sexual Abuse
- Deborah Gaines Self (Family Member was a Victim of Childhood Sexual Abuse)
- Emily Van Schenkhof Missouri Kids First
- Jason Lamb Missouri Association of Prosecuting Attorneys
- Rachel Gridler EMPOWER Missouri

Testimony in Opposition

- Tyler McClay Missouri Catholic Conference
 - Expressed concern with removing the statute of limitations in civil cases. Stated that the victims should have known there was a statute of limitations.
 - Mitten took exceptional offense to the Missouri Catholic Conference testifying in opposition to this bill, considering the history of clergy sex abuse scandals in the church.
 She stated that she was personally offended that the MCC testified on the bill and it was not appropriate.
 - o DeGroot disagreed with Mitten and thanked McClay for his testimony.

HB 338 (Corlew) - Crime

Sponsor Testimony

• Bill states that lesser included offenses must be instructed if there is any evidence to support it, even if the defendant introduced it.

Testimony In Favor

Jason Lamb - Missouri Association of Prosecuting Attorneys

Informational Purposes

Print Page 142 of 142

- Bill Thompson Self (former Clerk of the Missouri Supreme Court)
 - Believes that this bill will not advance the clarity of lesser included offenses. Thompson suggested a definition for nested lesser included offenses and believes that all elements should be instructed on.

WATCH HCB 8 (McGaugh) - Civil Proceedings

There was no public testimony on the HCB Marshall expressed concern over the committee bill process, noting that many of them could be subject to a hamerschmidt problem.

WATCH HCB 9 (McGaugh) - Criminal Proceedings

There was no public testimony on the HCB

OA, Division of Budget and Planning State Capitol, Room 129 P: (573) 751-9314 W: https://oa.mo.gov/budget-planning
